¹ These discounted fees apply at most provider locations. However, fees may vary. For example, at Walmart or Sam's Club, members will receive comparable values on spectacle lens and contact lens purchases with the applicable standard retail cost. Members buying frames at either provider will receive a flat 10 percent discount on the price, rather than the discounts shown. Confirm discounts with your selected provider.

² Special lens designs, materials, powers and frames may require additional cost.

³ Discount will be applied to the provider's usual and customary price for services.

⁴ Pricing at some retail locations may vary.
